WORKFORCE DEVELOPMENT

Safety is important to us at Ai Group Apprentice and Trainee Centre.

We have a commitment to caring for our employees so they return home at the end of the day in the same condition in which they started.

Our message to you....

Please think about your behaviour and how your actions might affect your health & safety, or the health & safety of your workmates, family, or friends.

**DON'T
TAKE THE
RISK!**

- 1 Stop, step back, observe
- 2 Walk through task
- 3 Identify hazards
4. Control & communicate
5. Safely complete task

ARE YOU TAKING UNNECESSARY RISKS?

JUNE 2021 – Issue 2

Risk taking can be simply defined as consciously or non-consciously controlled behaviour with a perceived uncertainty about the outcome.

Some examples of risks below:

At Work:

- Not wearing correct PPE
- Being at work affected by drugs or alcohol
- Conducting tasks knowing it is unsafe to do so
- Conducting tasks that you are not trained and/or licenced in
- Working on unguarded machinery
- Not asking questions
- Skylarking

Out of work:

- Drinking excessively
- Taking drugs
- Unprotected sex
- Drink Driving
- Extreme sports
- Dangerous activities due to peer pressure

What could happen to you?

- Being injured or injuring a workmate
- Losing your job
- Financial loss
- Mental health issues
- Losing or hurting your family and friends

BE CAREFUL
